COMED-K CODE: E 163

**SRI ADICHUNCHANAGIRI SHIKSHANA TRUST**

Sri Adichunchanagiri Shikshana Trust @ runs close to 500 Institutions in India under the divine guidance of Jagadguru Sri Sri Sri Dr. Balgangadharanatha Mahaswamiji. The Trust has earned its reputation of being pro-poor, pro-rural in its focus, and a stickler for quality. SJBSAP is the latest platform under the guidance of Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji, an IITian himself, and Sri Sri Dr. Prakashanath Swamiji, where the Trust continues its tradition of excellence in the field of the built environment.

MISSION AND VISION

The vision of SJB School of Architecture and Planning (SJBSAP) is to "Think global and serve locally", a tradition followed by His Holiness Jagadguru Sri Sri Sri Dr. Balgangadharanatha Mahaswamiji all his life. SJBSAP provides a holistic, multidisciplinary approach to an education concerning the built environment and associated issues in its Architecture Program. Issues Concerning Sustainability, Climatologically and Environmentally sensitive approaches to Design thinking, Planning, and decision making is a key driver to the pedagogical approach at all stages of Education. The School aspires to strengthen this vision through other specialized disciplines such as Urban Planning, Urban Design, Landscape Architecture and Interior Design.

SALIENT FEATURES

THE NEW SJBSAP BUILDING: The largest building in Karnataka with numerous facilities dedicated to Architectural Education designed by National Award winning Architects Gayatri and Namith Architects.

24X7 OPEN STUDIOS AND WORKSHOPS: The only School of Architecture in Karnataka committed to ensuring that the facilities are open round-the-clock for students' benefit.

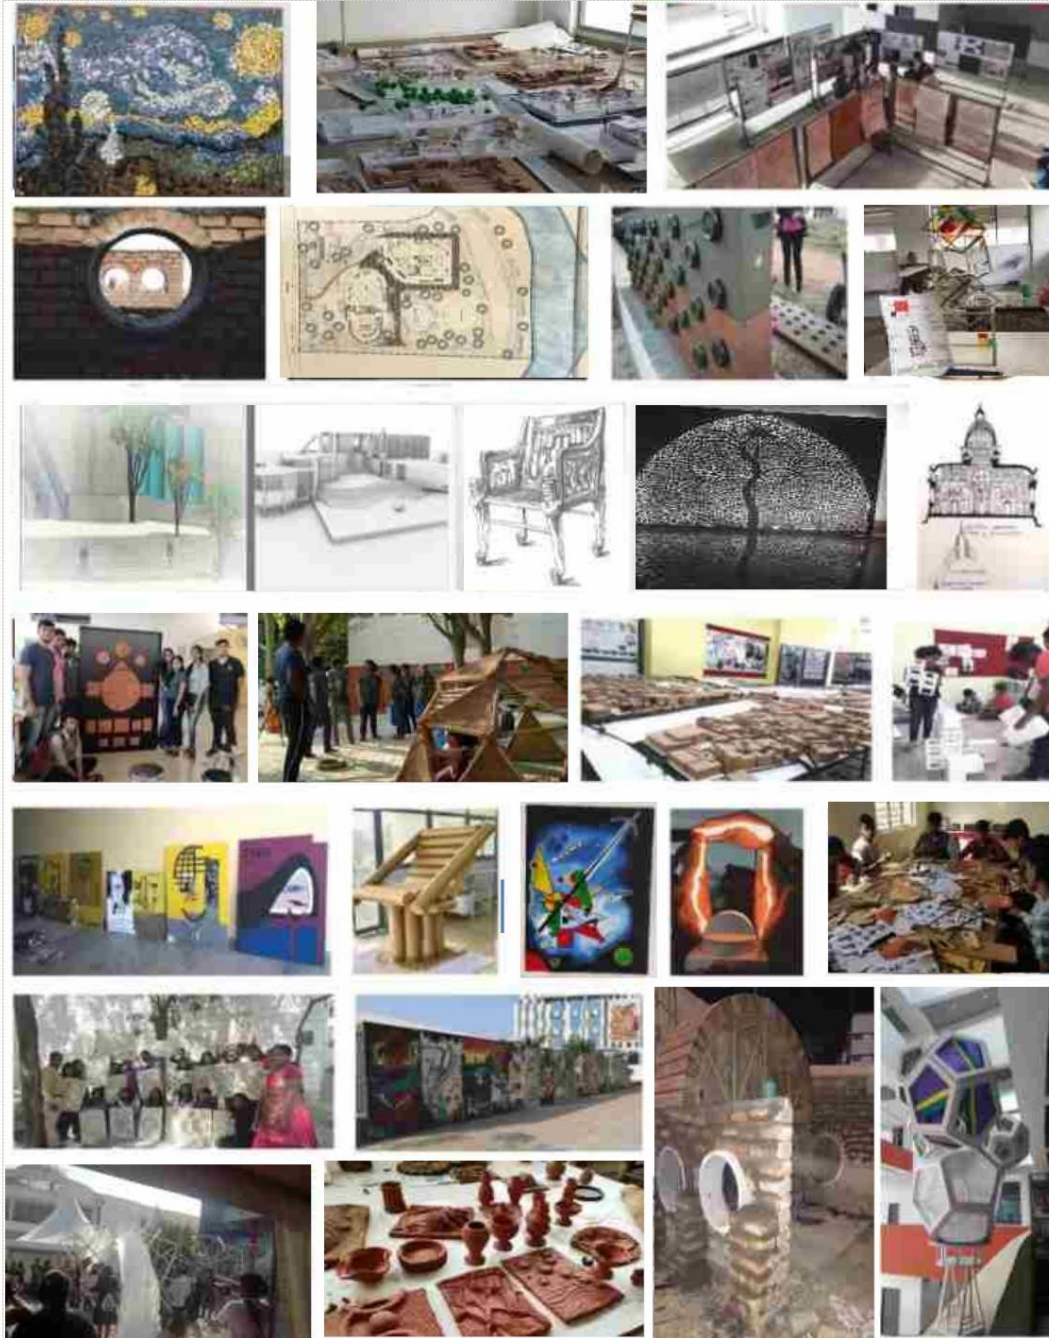

SECURE FACILITIES: Exclusive security personnel providing day and night services with emphasis on the safety of students.

SECURE CAMPUS: Campus-wide security and facilities shared with the larger campus of BGS Health and Education City enriches the SJBSP experience.

DEDICATED FACULTY & STAFF: Many of the faculties are well-known Architects and distinguished academicians. Including the Dean of SJB SAP, the qualified team brings decades of academic, research and professional experience along with a passion for teaching. The Library, administration and support system provide invaluable support and commitment to the students and the institution through dedicated and well qualified non-teaching staff.

STUDENT ENRICHMENT: Thorough academic experiences are provided through involvement in conferences and events of professional organisations; motivation for event management, public speaking and presentations; encouragement and support for Design competitions; exhibition entries and student activities; pride in showcasing students' work.
