Department of Architecture and Interior design, College of Engineering,
University of Nizwa, Oman
invites you for

International Virtual Workshop

Date | 13th March 2023

Time | 11.00 am to 1.00 pm OST

Time | 12.30 pm to 2.30 pm IST

Framework for "Research Paper Writing"

Research papers are intended to deliberate the experiences gained in a particular profession, demonstrate knowledge of a subject and creation of a new knowledge bank for various applications. This research paper writing session addresses the preparations and structure required for writing the research paper along with data management software tools.
